

22 - 23 NOV 2022

SIMULATOR EXERCISES FOR OILSPILL RESPONSE & PREPAREDNESS

Kotka, Maritime Center Vellamo

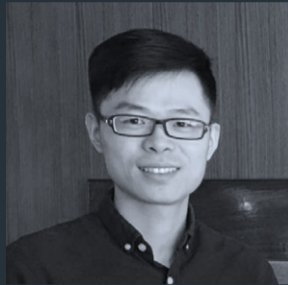

VILLE HENTTU

ANNUKKA
LEHIKAINEN

LIANGLIANG LU

ANTTI LANKI

MIRKA
LAURILA-PANT

OSSI TONTERI

HELI
HAAPASAARI

ROBERT
GRUNDMANN

JARMO KÖSTER

ANNA KIISKI

TUESDAY 22 NOV

12:00 Lunch (own expense)

13:00 OPENING

Ville Henttu, South-Eastern Finland
University of Applied Sciences

KEY NOTE

Heli Haapasaari, The Finnish Border Guard
Marine pollution response in Finland –
Current situation and future challenges

13:30 SIMREC RESULTS

Introduction - Improving societal
resilience through simulator-based oil spill
management exercises
Annukka Lehikoinen, Kotka Maritime
Research Centre

Oil spill prevention and preparedness in
the Gulf of Finland
Ossi Tonteri, Finnish Environmental
Institute

A protocol for building simulator-based
training programs for oil spill responders
Antti Lanki, South-Eastern Finland
University of Applied Sciences

Simulating accident-prone locations and
potential oil spills
Liangliang Lu, Aalto University

Analysing the role of situational
awareness and the following operational
decision-making during cooperative oil
spill training
Mirka Laurila-Pant, University of Helsinki

14:45 COMMENTARY SPEECH

Impact of SIMREC project results
Heli Haapasaari, The Finnish Border Guard

15:00 Coffee break

15:30 KEY NOTE

Robert Grundmann, Fraunhofer Center for
Maritime Logistics and Services
Connected Simulation and future
developments based on the experience
of the EMSN network

16:15 PANEL DISCUSSION

Cooperation possibilities - Maritime
Simulator Networks
Moderator Annukka Lehikoinen

- Antti Lanki, South-Eastern Finland
University of Applied Sciences, Kotka.
- Johanna Salokannel, Novia
Yrkeshögskolan, Turku
- Jarmo Köster, Tallinn University of
Technology, Tallinn.
- Robert Grundmann, Fraunhofer Center
for Maritime Logistics and Services,
Hamburg.

16:55 CLOSING

Anna Kiiski, Kotka Maritime
Research Centre

17:00 Refreshments

WEDNESDAY 23 NOV

10:00 VISITS TO THE KOTKA MARITIME CENTRE - SIMULATOR CENTRE

Host Antti Lanki

Transportation – Lunch

12:00 VISIT TO THE OIL SPILL RESPONSE TEST BASIN

Host Justiina Halonen

14:00 CLOSING WORDS OF THE EVENT
